

New e-Alerts Available!

This is an electronic method for notifying interested parties of news related to specific topics offered, such as the Peoria City/County Landfill.

Note: Users must subscribe and unsubscribe themselves; this list is not maintained by Public Works.

To sign up for an e-Alert:

1. Go to www.ci.peoria.il.us
2. Click on the e-Alert link at the very top of the page.
3. Enter your desired email address for receiving e-Alert messages.
4. Check the City/County Landfill box (and any other City notification options desired).
5. Verify your request by entering the code shown under "Verification."
6. Click the "Sign me up!" button. (Do NOT press Enter at this step.)
7. You should receive a "Signup Pending" message.
8. If you completed the steps correctly, then you will almost immediately receive a confirmation email with "City of Peoria – e-Alerts Confirmation" in the subject line.
9. Open the confirmation email and click the "Click here to confirm" link at the bottom if the information is correct. (Otherwise click the "site administrator" link.)
If you do not receive a confirmation email, you need to start over with Step #1 above.
10. You should then receive a "Confirmation Successful" message and can exit the website.
11. e-Alert message. The purpose of the e-Alert will be obvious followed by a brief description. To access the document, click on the link in: "For packet document click here."

IMPORTANT: At the bottom of every e-Alert message, another link will appear:

[Click here to manage your e-Alert settings](#)

This link is the ONLY way in which to manage your e-Alert settings. Currently there is a glitch if you sign up for an e-Alert one at a time (i.e., Landfill, Police Department, etc.), especially using the same email address. *Please keep in mind if you need to add or delete a notification, you will need to click on this link in one of your past e-Alert messages in order to do so properly.*
