

DEPARTMENT OF PUBLIC WORKS

419 Fulton Street – Suite 307
Peoria, IL 61602

May 14, 2010

Dear Contractor:

This letter is to inform you of sidewalk and drive approach inspection assignment changes **effective immediately**. To provide prompt service to contractors working within the public right-of-way, the City of Peoria has been divided into three regions: (1) *New, Residential Construction*; (2) *North Region*; and (3) *South Region*. The *North* and *South Regions* are divided by War Memorial Drive, as shown on the enclosed map.

All contractors **must have a valid license and bond with the City of Peoria** for working within the public right-of-way. Contractors needing inspections for work regarding sidewalks, drive approaches, or curbs should contact the appropriate inspector for the region where the work is taking place. All inspections will require an advance notice of **a minimum 2 business days**.
