

PEORIA COUNTY

## Recycling & Resource Conservation

3116 N Dries Lane, Suite 200

Peoria IL 61604

# PEORIA COUNTY RESIDENTS - FREE DUMPING POLICY

The Peoria City/County Landfill allows **residents of Peoria County** to dispose of **one load** of residential refuse **per week** at **no charge**. Peoria County residents may dispose of **additional loads** of residential refuse in the same week for a charge of **\$5.00 per load**. The Peoria County Board approved this unique program; the only one like it in the State of Illinois. All state taxes on free and reduced rate wastes are paid for by the County's recycling program.

- ▶ Only **residential refuse** from your personal, private household is included in this program.
- ▶ Residents may use vehicles and trailers; but loads **exceeding pickup capacity** will not be accepted under this program.
  - ▶ Trailer loads may be accepted if the entire volume of refuse is contained within the trailer - and trailer length does not exceed 8 feet (similar to the length of a pick-up truck bed).
  - ▶ A pickup containing refuse pulling a trailer containing refuse will be charged \$5.00; and the total weight of refuse contained in the vehicle and trailer must not exceed one ton.
- ▶ Eligible loads must weigh less than one ton.

<p>The following items are <b><u>not acceptable</u></b> under this residential program:</p> <p>building materials construction debris demolition debris siding roofing materials windows</p>	<p>Loads of refuse <b><u>not accepted</u></b> under this program will be <b>charged</b> to the resident as follows:</p> <p>Current gate rate  <b><u>OR</u></b>  a minimum charge of  \$20 per load.</p>
--	---

All residents will be asked to provide current State of Illinois Driver's License, State Identification Card, Voter's Registration or current picture ID listing a Peoria County address. A Peoria County address will be required to qualify for free or reduced rate disposal. **Vehicle registration** will be recorded, but need not be a Peoria County address.

Peoria City/County Landfill 309/565-4281

Peoria Public Works 309/494-8800

Peoria County Recycling 309/681-2550

Landfill hours for residential loads: 7 a.m. - 4 p.m. Monday - Friday and 7 a.m. - 1:00 p.m. on Saturday

The Illinois EPA has **banned** the following items from Illinois landfills:

Major appliances/white goods	lead-acid batteries
motor oil	oil-based paints
tires	yard waste* - <i>there is a compost facility on-site</i>
mercury-containing products	untreated potentially infectious medical waste

Also, **businesses** may **not** dispose of **fluorescent lamps** in landfills.

---

**Places that accept these materials - Call first for store hours, fees charged, and program limits.**
