

Attention All Customers

In an effort to keep the roads of Peoria County and the City of Peoria clean, the Peoria City/County Landfill Committee has required that ALL LOADS ENTERING THE PEORIA CITY/COUNTY LANDFILL BE SECURED OR TARPED to prevent material or debris from falling off or blowing out of vehicles. Therefore:

Effective October 1, 2010 all loads must be secured by either a tarp or rope/strap.

Any loads entering the landfill that are not secured by either a tarp or some sort of rope/strap that, in the judgment of the scale operator, would prevent debris from escaping, will have an additional fee of **\$20.00** charged.
