SUBJECT: Issues Update

The following are issues related to the City for the weekly Issues Update. If there are additional items you believe should be included, please let me know.

COLUMBIA TERRACE & ORANGE STREET. Illinois American Water Company (IAWC) made an emergency repair of a water service connection to the water main on Columbia Terrace near Orange Street. This work is taking place in the newly paved asphalt that was installed in 2010 as part of the Columbia Terrace project. IAWC is in the process of restoring the paved area to the satisfaction of the Public Works Department. Per the City's ordinance, this was dealt with as an emergency repair and IAWC will pay 5 times the normal permit fee.
