

Vote **YES** to Savings on Your Electricity Bill!

Vote **YES** on March 20th

Plug into Electricity Savings by voting YES on the regional Electricity Savings ballot question for Peoria County

Illinois residents can now vote to give their municipality the authority to choose an alternative electricity supplier for their community. This group approach usually results in greater savings than Ameren customers can normally achieve on their own.

Vote YES to receive these benefits:

- Savings up to 20-25% or more on your current electricity bill
- No installation or home visit required
- Continue to receive one bill from Ameren
- Ameren will support you in the event of an outage

On March 20th, vote YES on the Electricity Savings ballot question and become part of the largest electricity buying group in Central & Southern Illinois
